MANMOHAN AGADE

Penetration Testing

Manmohan Agade

7249062661| manmohanagadess@gmail.com

I am a dedicated Penetration Testing with 5 months of hands-on experience in bug bounty hunting, Linux systems, and networking. My expertise includes identifying vulnerabilities, securing systems, and leveraging knowledge in ethical hacking to enhance cybersecurity measures. I am eager to apply my skills in a challenging and dynamic environment.

EXPERIENCE

FREELANCE BUG BOUNTY HUNTER

- Identified and reported critical vulnerabilities in various web applications and networks.
- Collaborated with security teams to patch and secure identified vulnerabilities.
- Gained practical experience in real-world penetration testing scenarios.

CERTIFICATIONS AND KNOWLEDGE

- Certified Ethical Hacker (CEH)
- eLearnSecurity Junior Penetration Tester (eJPT)
- Offensive Security Certified Professional (OSCP)
- Cyber Crime Investigation

PROJECTS

- **Network Scanner Tool**: Developed a tool to scan networks, detect vulnerabilities, and automate mitigation strategies.

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER SCIENCE

Rashtrasant Tukadoji Maharaj Nagpur University

JUNE 2024

- GPA 5.6

SKILLS

- Python, Bash
- Metasploit, Burp Suite
- Networking and Security Protocols
- Cybercrime Investigation Tools and Techniques
- Wireshark, Nmap
- TryHackMe and Hack The Box Platforms
- Vulnerability Assessment and Exploitation
- Linux Administration
